Save our School

Dear parents and community of Freie Waldorfschule Flensburg,

Will you help save a small self-funded Waldorf school in New Zealand? Our school has been providing a wonderful "head, heart and hands" education for 11 years. We see how this helps children develop their capacities and find their direction and purpose in life. More children should have this opportunity.

We currently lease an old hospital building but that lease ends in November 2015. Unless we have another building ready by then we may be homeless. Our community is too small to afford the costs of a new building so we are asking for your help. Money is needed now to help us move and survive.

Please make a donation to help the Motueka Rudolf Steiner School relocate and grow.

Your donation will not only help us survive, it will help us grow. Our goal is to welcome more local children, as well as families from around the world.

To honour your donation we will plant a tree with your name at our new school.

Your tree

Our community is small but we are dedicated, passionate and working hard to raise the money needed. To learn more about us, and make a donation, please visit www.motueka.steiner.school.nz.

Your donation will be our future.

On behalf of all the children who will benefit from your support, thank you for your contribution.

Yours sincerely,

Peter Garlick
Manager
Motueka Rudolf Steiner School

*The vision of a new school campus.
Your support can help get it off the
canvas and onto the land.*
